Dear Professor Treadgold:

I have this morning received your letter and will see that you are placed on full salary from the beginning of the year. This will be done at the next meeting of the Board of Governors.

Professor H. E. Treadgold,

University of Toronto.

Dear Professor Treadgold:

I will present your request for authorization to use $320, which was realized in the sale of old equipment by the Department of Surveying, before the close of the present year. I have no authority myself to authorize it nor could the Bursar act without the direction of the Board.

Yours sincerely,

President.
